## Sunday October 2nd, 2016

- 5:00 pm **Small Business Secrets** - In this episode we check out the small businesses making a huge impact on social economic issues. We visit Melbourne social enterprise Pollinate Energy, who are lighting up Indian slums with solar lighting, and fly to Hong Kong to drop in on Les Beatitudes, the stay-at-home mums making purses out of neckties to support their family. We head to Brisbane to auto repair shop Brothers Garage, who train up at-risk youth, asylum seekers and the disabled, and visit Dick Smith in his Sydney home to gain his business insight. We also explore the young Australians fighting the global water crisis, and check out a warehouse employing those from disadvantaged backgrounds to recycle mattresses from landfills. (S.1 Ep.10) (SBS Production) (Documentary Series) (Class. tba) CC **\*\*New Episode\*\***
- 5:30 pm **Nazi Megastructures - Super Tanks** - Hitler's megalomaniac impulses led him to demand the construction of the largest tank the world had ever seen a mobile fortress weighing 180 tonnes. But even this colossus couldn't satisfy Hitler's thirst for enormous weapons of war, as he went on to request a land battleship weighing 1,000 tons. This is the story of the Nazi engineers tasked with fulfilling that dream, and an arms race that resulted in the evolution of super-guns and tanks. (Part 4 of 6) (From the US) (Documentary) (Rpt) PG CC
- 6:30 pm **SBS World News** - Up-to-date reports and analysis of the major national and international news stories of the day in Australia's only world news service. (An SBS Production)
- 7:30 pm **Treasures Of Ancient Greece - The Age of Heroes** - Arts journalist Alastair Sooke explores the riches and unique legacy of Greek art in this new three-part series. In the first episode, Alastair investigates the surprising roots of Greek art, beginning his journey in Crete at the palace of Knossos, legendary home of the Minotaur. He travels to Santorini to the 'Greek Pompeii', and finds gold in the fabled stronghold of Mycenae and dazzling remains from Greece's Dark Ages. Alastair discovers the beginnings of a defining spirit in Greek art, embracing mythology, a passion for symmetry, and an obsession with the human body. (From the UK) (Documentary Series) (Part 1 of 3) (Rpt) PG CC
- 8:35 pm **Earth From Space** - Earth from Space takes you on an epic quest to discover the invisible forces and processes that sustain life on our planet and, for the first time, see them in action in their natural environment in vivid detail. These truly unique images will explore the deepest mysteries of its existence, raising profound questions and challenging the old assumptions of how Earth's system works. (From the US) (Documentary) (Rpt) G CC
- 10:20 pm **The Amina Profile** - Part love story, part international thriller, and a gripping chronicle of an unprecedented media and sociological hoax, this feature documentary travels from San Francisco and Washington to Istanbul, Tel Aviv and Beirut in a quest to reveal the true identity of the person behind the popular blog A Gay Girl in Damascus. Who is this Syrian-American revolutionary who goes by the name of Amina Arraf? Not even Montrealer Sandra Bagaria, with whom Amina is carrying an online affair, seems to know for sure. As the Syrian uprising gains momentum, the blog attracts a huge following. But it's Amina's subsequent abduction that sparks an international outcry to free her. Telling a detective story that involves various intelligence agencies and top-tier global media, the film tells a thoroughly modern tale of technology, love and news-as-spectacle questions the ways in which people connect in today's virtual world. (From Canada, in English, French & Arabic) (Documentary) (Class. tba) CC **\*\*Premiere\*\***
