- 10:15 pm **Mythbusters - Transformers** - In this episode of Mythbusters, Adam and Jamie crank their ingenuity to the max as they tackle two tall tales about mechanical metamorphosis. First up is a classic: Is it really possible to turn a car into a motorcycle? The story goes that 30 years ago, in the deserts of Africa, a frightened Frenchman undertook this transformation and lived to tell the tale! But will Adam and Jamie follow suit? Then the guys get their feet wet as they find out if you can transform a bicycle into a paddleboat with a few minor modifications. Will it be sink or swim? (From the US) (Entertainment Series) PG CC
- 11:15 pm **Mythbusters - Star Wars: The Myths Strike Back** - Not very long ago, in a workshop not so far away, rebel scientists striking from a hidden base in San Francisco won their first victory. But Adam and Jamie are again taking on the forces of evil and testing two tall tales from dark side. First up, Adam and Jamie look into laser blasters. A recurring theme in the movies is the ability of the heroes to dodge, evade and dive out of the way of an incoming Stormtrooper blaster shot. But is that possible? After working out how fast the blaster bolts move they re-create a blaster bolt battle, put their bodies on the line and commence the dive to survive. (From the US) (Entertainment Series) PG CC

- 5:20 pm **Hipsters - The Next Big Thing** - Feeling that the Western hipster has become a parody of itself, Sam travels to a place where the word "hipster" is just beginning to gain traction: China. Sam learns that the idea of the hipster doesn't really exist in China - instead there is a movement known as the "cultured youth". This leads Sam to question if "hipster" as we know it can actually be considered to be a genuine subculture: what has it contributed that we will remember in two decades time? Sam returns to Detroit to meet pop-culture expert and author Bruce Conforth to get his take on what might come after the hipster. Sam goes on to investigate "normcore" - an "anti-fashion" trend that is tipped as the next big thing and conveniently for Sam, is pretty much identical to how he dresses.
